

Bilal Arshad

UI / UX DESIGNER

Islamabad, Pakistan • bilalarshd66@gmail.com • (+92) 310-5789804

[Portfolio](#) | [LinkedIn](#) | [Behance](#)

PROFILE

Fresh graduate with a strong passion for UI/UX design and a keen eye for visual hierarchy, clean layouts, and intuitive user experiences. Skilled in translating user needs into user-centered wireframes, interactive prototypes, and scalable design systems using Figma. Eager to grow as a UI/UX designer, delivering simple, usable, and visually engaging digital products.

SKILLS

Design Tools Figma · Adobe XD

Practices Wireframing · Prototyping · Design Systems

UX User Flows · User Research (basic)

Delivery Responsive Design · Design Handoff

SELECTED PROJECTS

MotoZone — Vehicle Buying & Selling Marketplace (Web)

2025 – 2026

Figma

- Designed the complete web UI in Figma — wireframes, prototypes, and a consistent component-based design system for an online vehicle marketplace.
- Mapped end-to-end user flows for browsing, listing, and contacting sellers to ensure a smooth buying/selling experience.
- Case study: behance.net/gallery/255040587 | Prototype: [Figma link](#)

Sales Distribution Hub — Final Year Project

2025 – 2026

Figma

- Designed role-based dashboard UIs in Figma for distributors, field officers, and bookers.
- Created detailed wireframes and prototypes for inventory, order, and sales-tracking modules.
- Prototype: [Figma link](#)

Alpha Gym — Fitness Platform UI/UX Design

2025 – 2026

Figma

- Designed an energetic, performance-focused fitness platform with a sleek dark aesthetic.
- Crafted intuitive user journeys for membership enrollment, personal training schedules, and interactive class timetables.
- Designed a personalized fitness goal tracking experience to keep users motivated and engaged.
- Prototype: [Figma link](#)

Flux — Mobile App UI/UX Design

2025 – 2026

Figma · Mobile UI/UX

- Designed a complete mobile app UI/UX concept in Figma, focused on clean visual hierarchy, intuitive navigation, and consistent component styling.
- Case study: [behance.net/gallery/254635821](https://www.behance.net/gallery/254635821) | Prototype: [Figma link](#)

WORK EXPERIENCE

Product Designer — Bake Parlour Company

Oct 2025 – Jul 2026

Figma

- Designed a role-based Sales Distribution Hub web and mobile app, starting from Figma wireframes and mockups.
- Created responsive dashboard, order, and inventory management screens with a focus on clarity and usability.
